

FACT SHEET

Mather LifeWays Senior Living Residences

DESCRIPTION: Mather LifeWays senior living residences offer “ways to age well” for older adults by providing stimulating lifestyles within neighborhoods that offer a rich variety of cultural and social choices, and by providing the option of continued care and memory support.

Mather Place of Wilmette is an elegant retirement residence nestled in a quiet North Shore neighborhood, where older adults can escape the stress and demands of home ownership while enjoying friends, family and active participation in the community.

Mather Pavilion is a comfortable residential nursing care residence designed to feel like home, where older adults enjoy companionship, encouragement and a wide variety of activities. A specialized memory support program integrates advanced approaches to Alzheimer’s and dementia care to enhance both community and individual quality of life.

The Mather is the Chicago area’s newest and most comprehensive retirement community, offering a full continuum of care from independent living through skilled nursing care. It is the latest addition to a family of senior living residences created by Mather LifeWays that strive to offer older adults the opportunity to pursue engaged and active lifestyles.

The Mather will consist of two buildings, the first of which opened in October 2009. Construction of the second building will begin in early 2010 with completion and occupancy scheduled for late fall 2011.

Splendido, built in Ariz., is a joint venture of Mather LifeWays and The Plaza Companies and offers a continuing care retirement option with all the amenities of a fine resort.

LOCATIONS: Mather Place of Wilmette: 2801 Old Glenview Rd., Wilmette, Ill. 60091
Mather Pavilion: 820 Foster St., Evanston, Ill. 60201
