Cocktail Party at The Mather

Tuesday, February 21
3:30–5:00 p.m.

The Mather **Evanston, IL**

Wishing made it so! The Mather is now fully open.

We're hosting a cocktail party and you're invited to take a peek inside The Georgian Lounge and mingle with current residents & friends of The Mather. We'll be serving 10 Wishes Wine (our private wine label), beer, and specially paired finger foods.

The Mather is beyond a place to live, it's where you can indulge in a lifetime of curiosities... free from the day-to-day worries. It's not retirement, but something we call **Repriorment**,™ a new state of mind found only at The Mather.
