

THE A LIST

Sorrell

Nellie Sorrell was hired as administrator of Sonora, the health center at Splendido, a continuing care retirement community. Sorrell will be responsible for developing staff procedures and implementing quality assurance programs and will oversee the suites and apartments dedicated to assisted living, memory support, skilled nursing and rehabilitation, short stays and hospice care.

Registered architect **Edward Vergara** has rejoined ABA Architects. With his return, Vergara brings additional skills in site planning and development, particularly for large commercial projects, navigating governmental processes, including rezoning, and providing construction administration.

Pediatric cardiologist **Scott Klewer** has been elected to a two-year term as chief of staff at University Medical Center. Elected by the hospital's medical staff, Klewer will be the chief administrative officer for the more than 700 university and community physicians who practice at UMC.

The A List gives props to the Tucson business community's movers and shakers. Send information to alist@tucsoncitizen.com
