Splendido residents give back

Splendido residents exceeded their goal in collecting and delivering more than 100 backpacks filled with school supplies to Interfaith Community Services. ICS and Splendido have partnered on multiple community initiatives over the past several years. Members of Splendido's Ambassador Committee helped collect the backpacks. Pictured are, from left, Jan Rogers, Ginny Keller, Deanna Sides, Ed Jenkins, Pat Henry and Jane Aslaksen. Jenkins is the former president of ICS, currently volunteers at ICS several days a week and serves as an advisor on their financial board.
