2010

Mather LifeWays Institute on Aging received the **New Product & Technology Award** from **Mature Market Resource Center for Aging**

in Action. This national program recognizes the best technologies, products, and services for older adults and their families.

Chicago Tribune

Mather LifeWays was named one of the *Chicago Tribune's*

Top 100 Workplaces. Companies and nonprofit organizations are recognized for developing "dynamic, supportive and inclusive cultures."

Mather LifeWays Institute on Aging received the **Erickson Foundation Award for Excellence in Research in Positive Aging** at

the 2010 American Public Health Association Annual Meeting & Exposition in Denver for the development, testing, and implementation of the Whole-Person Wellness Assessment. The Erickson Foundation created this award to "celebrate research that explores aspects of active, healthy aging, particularly creating healthy communities."

Mather LifeWays won two awards from the League of American Communications Professionals' (LACP) Global Communications Competition. Splendido received a **Platinum Award** for its "Best Places to Live" mailer, and The Mather received a **Gold Award** for its "Let's always be prepared for life's curve balls" campaign.

Mather LifeWays earned two **National Active Retirement Association Awards**, which

recognize projects focused on meeting the demands of active, mature adults across the country. The Mather won a **Gold Award** as the Best Continuing Care Retirement Community and a **Gold Award** for Best Amenities in a Retirement Community.

Midwest

Construction

The Mather received *Midwest Construction* magazine's **Best of**

2010 Award (Merit, Multi-Family Residential/Hospitality), which recognizes projects based on safety, innovation, contribution to the community or industry, construction quality and craftsmanship, and function and aesthetic quality of design.

Design Evanston recognized **The Mather** with awards in Interior Design and Landscape Design. Design Evanston

recognizes projects providing "significant aesthetic and functional improvement in the Evanston community."

Mather Pavilion and Mather LifeWays Institute on Aging received the **OPTIMA Award**,

bestowed by *Long-Term Living* magazine. The award, conferred by a jury of long-term care peers, recognizes long-term care residences that are proactive with programs that go "above and beyond" routine care. Through measurable outcomes, such as 10 consecutive years of nursing staff turnover results better than state and national rates and consistently high resident and family satisfaction scores, the Award acknowledges Mather Pavilion's successes in demonstrating that LEAP is a sustainable workforce initiative.

A grant from **The Coleman Foundation** was awarded to Clearbrook and **Mather LifeWays Institute on**

Aging to support implementation and evaluation of **GRACE: Generating Resources for Aging Through Collaborative Energies**. This program offers education and experiential learning opportunities to managers and staff working with the growing number of aging adults with developmental disabilities in day and residential service organizations in the Chicagoland area.

Mather LifeWays earned four 2010 **National Mature Media Awards** for its marketing materials, including two **Bronze Awards** and two **Merit Awards**.

Mather LifeWays received a grant from the **Kansas Department of Public Health** to support four statewide **PREPARE** workshops that reached nearly 200 senior living providers.

Mather LifeWays received a fourth **Digital Divide Grant** from the Illinois Department of Commerce and Economic Opportunity. The grant is designed to train older adults in

computer skills through classes presented at **Mather's—More Than a Café** locations in the Chicago area.

Mather LifeWays partnered with the **GRANDFamilies Program** of Chicago to develop and implement a curriculum for the **Grandparents Raising Grandchildren Program**. It is supported by two independent grants from **The Chicago Community Trust** and the **National Council on Aging**.

Splendido was a finalist for the **NuStep Pinnacle Award** recognizing

outstanding whole-person wellness programs in senior living communities and senior centers.

The Southeast Building conference recognized **The Mather North** with **four Aurora Awards** which are considered the “Grammys” of the homebuilding and design industry. Awards included **Grand Aurora (Best of State)**, **Grand Aurora** and **Aurora Award (50+ Communities)**, and an **Aurora Award for Interior Design**.

Splendido received **Award of Merit** honors in the 2010 **Gold Nugget Awards** competition for **Best**

Community Site Plan of 20 acres or more and **Best Interior Space**.

Mather LifeWays won a **Silver Award** for *More at Mather's* in the 2009 **Inspire Awards Competition**, sponsored by the **League of American Communications Professionals (LACP)**.

A grant was awarded to **Mather LifeWays** from **Work/Family Directions, Inc.** to develop and implement a culturally-specific version of **Empower Online** for **IBM employees** who are caring for older adults in China.

Readers of the *Explorer* newspaper selected **Splendido** as **Tucson's Best Retirement Living Community** for the second consecutive year.

Dedicated To Long Term Care Medicine

The **American Medical Directors Association** selected **LEAP** as a recipient of the 2010 **AMDA Foundation/Evercare Award** for improving the quality of life of persons living in nursing homes.

Sonora at Splendido was ranked one of America's Best

Nursing Homes in the February issue of *U.S. News & World Report* and was the only one in Tucson to make the list.

Mather LifeWays and Benten Technologies received a **Small Business Innovation Research (SBIR) Grant from the Centers for Disease Control**. The new grant supports development of an online disaster preparedness planning system.

2009

The Mather Culinary Team took **first place in the AAHSA Chef Challenge competition**. Competing against senior living culinary teams from across the U.S., The Mather team was crowned the 2009 "Iron Chef" champions.

A grant from Merck was awarded to **Mather LifeWays Institute on Aging** to develop and implement online employee wellness programs in Canada, England, United States, Mexico, and Brazil.

A grant from ExxonMobil was awarded to **Mather LifeWays Institute on Aging** to develop and implement online employee wellness programs.

The Northern Trust Company awarded a grant to support the wellness initiative at **Mather's—More Than a Café** location at 83rd Street in Chicago's Chatham neighborhood.

The Mather was named the 2009 **Masonry Construction Project of the Year** for both the High-Rise and Readers' Choice categories. Project of the Year entries represent the "best of the best" in masonry construction across the country, honoring the craftsmanship of skilled masonry.

THE GREEN HOUSE PROJECT
caring homes for meaningful lives™

A grant was awarded to **Mather LifeWays** by NCB Capital Impact to support a study on the impact of computer adaptive technology in four **Green House® Project communities**. The project aligns "small house" environments with person-directed care programming, supporting quality of life for long-term care residents.

The **Armed Forces Veterans Homes Foundation** and the **National Association of State Veterans Homes** funded implementation of **LEAP 101** for 15 of their state veterans' homes. The grant also supports LEAP license renewals for 33 communities nationwide.

Splendido was voted one of the **Top 10 Independent Living/Assisted Living Communities** in *Ranking Arizona*, the largest business opinion poll in the state.

Mather LifeWays and Benten Technologies received a second **Small Business Innovation Research (SBIR) Grant from the National Institutes of Health**. The grant will enable development of a mobile device that researchers and practitioners in adult day, assisted living, and skilled care settings can use to assess the quality of life of people with dementia.

Mather LifeWays and Life Services Network, the Illinois affiliate of the American Association of Homes and Services for the Aging, were

awarded funding from the Illinois Department of Public Health to implement and evaluate a **cultural diversity training program** targeting all disciplines in licensed long-term care communities. This 12-month grant includes 12 train-the-trainer workshops and supporting online course involving nearly 120 communities across Illinois.

Mather LifeWays received the award for **Excellence in Program Innovation** from the Archstone Foundation for PREPARE. The award was created in conjunction with the

American Public Health Association to recognize best practice models in gerontology and geriatrics. One award is given each year.

The Chicago Life Opportunities Initiative received a **grant from the National Council on Aging**

to promote the use of older adult volunteers in community not-for-profit organizations. Chicago Life Opportunities Initiative is a partnership program between **Mather LifeWays** and CJE SeniorLife.

Mather LifeWays is partnering with the **GRANDFamilies Program of Chicago** to develop and implement a

curriculum for the Grandparents Raising Grandchildren Program, supported by a grant from **The Chicago Community Trust**.

As part of a grant from the National Council on Aging (NCOA), **Mather LifeWays** received **three VISTA volunteers** to further support the GRANDfamilies of Chicago program.

Mather LifeWays received a **Title V worker** from Age Options to assist in expansion of the Telephone Topics program.

A grant from the **John Oishei Foundation** will bring LEAP to 30 long-term care residences in Western New York State during fall 2009.

A **training grant was awarded to Mather LifeWays** to support PREPARE workshops in Michigan during the summer 2009.

Mather LifeWays received a **grant from the Kansas Department of Public Health** to support four statewide PREPARE workshops that reached nearly 200 senior living providers.

Mather LifeWays received an additional **Digital Divide Grant** from the Illinois Department of Commerce and Economic Opportunity.

The grant is designed to train older adults in computer skills through classes presented at Mather's—More Than a Café.

Mather LifeWays earned six 2009 **National Mature Media Awards** for its marketing materials, including two **Silver Awards**, two **Bronze Awards**, and two **Merit Awards**.

The National Council on Aging (NCOA) named **Mather LifeWays** as the 2009 recipient of the **Jack Ossosky Award**, recognizing the Café Plus model.

The U.S. Administration on Aging named **Mather's—More Than a Café** as **one of four national models** encouraging participation in civic, cultural, social and recreational activities by older adults.

Mather LifeWays received grants from the Norwood Park Historical Society and the **Center for Asian Arts and Media at Columbia College** for cultural programs.

Mather LifeWays Senior Research Associate was the recipient of the **American Society on Aging Graduate Student Research award**. The Award is presented annually to one graduate student for research relevant to aging.

For the second consecutive year, *Arizona Foothills Magazine* named **Splendido** as one of **Arizona's Best Places to Live**.

Mather LifeWays will work with Life Services Network, the Illinois affiliate of the American Association of Homes and Services for the Aging, to implement and evaluate a communication skills training program targeting all disciplines in licensed long-term care communities. This **12-month grant**

includes 12 train-the-trainer workshops and supporting online course involving nearly 150 communities across Illinois.

Community Initiatives was awarded the **Digital Divide Grant** from the Illinois Department of Commerce and Economic Opportunity. The grant is designed to partially

underwrite the cost of computer training for older adults in the Chicago area.

Mather LifeWays and Benten Technologies of Herndon, VA,

received a **Small Business Innovation Research Grant from the National Institutes of Health** to develop a new and innovative technology system for improving the assessment of quality of life in older persons with dementia. The practical, information-generation system combines the Mather LifeWays tool, *Observing Quality of Life in Dementia* (OQOLD), with handheld PCs that will enable professional caregivers to maximize the well-being of people with dementia in long-term care communities, assisted living communities, and adult day programs.

National Religious Retirement Office

Mather LifeWays worked with the National Religious Retirement Office (NRRO) in Washington, D.C., to implement a grant that will provide a proven successful training program in person-centered care to religious institutes they serve. The **18-month grant** was awarded by the Retirement Research Foundation to support the project, Staff Training and Education in Person-Centered Care for U.S. Catholic Retired Women and Men Religious: Phase Two.

Mather LifeWays received a **two-year grant** from the Illinois Department of Public

Health to implement SAFE-TI in 100 nursing homes in Illinois. SAFE-TI, a multicomponent toolkit that was developed and pilot-tested by **Mather LifeWays**, is expected to increase knowledge of falls reduction strategies.

Mather LifeWays received three national 2008 **Best of 50+**

Housing Marketing Awards from the National Association of Home Builders (NAHB), including Innovation and Gold Awards for **The Mather**, and a Silver Award for **Splendido**.

Mather LifeWays won three 2007 **Inspire Awards** from the League of American Communications Professionals. The Health Assessment Campaign won a Silver Award, the *m* newsletter also garnered a Silver Award, and the AAHSA Excellence in the Workplace Award Campaign took Honors.

The Director of Wellness Strategies at Mather LifeWays received the **Work-Life Rising Star Award** from the

Alliance for Work-Life Progress. This award recognizes professionals who embody passion for change, for work, and for life, and who exhibit a combination of professional and personal attributes that demonstrate emerging leadership and growing contributions to the work-life community.

Splendido's executive chef was the **third place winner** in the 2008 Iron Chef Tucson (AZ) competition, which challenges chefs from Tucson's finest dining establishments, including several five-star restaurants and resorts, to "battle it out" with their culinary skills.

Mather Pavilion volunteer Sheron Quigley received Life Services Network's

Excellence in Service Award and was named **Volunteer of the Year**.

2007

Mather LifeWays earned three **National Active Retirement Association Awards**, which recognize

projects focused on meeting the demands of active,

mature adults across the country. The Mather's brochure won a **Gold Award** for Best Active Adult/Retirement Property Advertisement and Splendido won a **Gold Award** for Best Large Active Adult/Retirement Community.

 The League of American Communications Professionals (LACP) awarded a **Platinum Spotlight Award** for **The Mather's** brochure; a **Silver Spotlight Award** for the Mather LifeWays 2006 Year in Review; and a **Bronze Spotlight Award** for Splendido's testimonial direct mail. More than 900 global entries were received, including entries from \$1+ billion Fortune 100 companies. The Awards recognize excellence in first impression, creativity, clarity, relevance, and narrative/visual content quality.

PREPARE, a **Mather LifeWays** program for improving emergency preparedness in senior living residences, was **awarded a third year of funding** from the Office of the Assistant Secretary for Preparedness and Response, US Department of Health and Human Services. The funds allow Mather LifeWays to reach long-term care providers in all 50 states.

Mather LifeWays received the Retired and Senior Volunteer Program's (RSVP) **Station of the Year Award**, which honors one organization that is committed to volunteerism and supports RSVP as a resource to help older adults get involved as volunteers.

Arizona Foothills Magazine named **Splendido** one of **Arizona's Best Places to Live**.

Mather LifeWays received ComPsych's **Health at Work Silver Award**, which honors organizations that have demonstrated a commitment to promoting the health and wellness of their employees.

Mather LifeWays and The Plaza Companies, co-owners of Splendido, received *BUILDERnews* magazine's **Spirit of the West Award**, which recognizes "exemplary builders and developers who are contributing inspiring, vibrant, and sustainable places to live." Splendido was highlighted for its well-crafted homes, conserving resources, and setting a new pace in homebuilding.
